Q17 Do you support or oppose stricter voter ID laws in Michigan?

- Support* 48%
- Oppose* 43%
- Not sure* 9%

Q18 Many of the election reforms in the bill package are linked to a national conservative effort that voting rights advocates say is designed to put up barriers between voters and the ballot box. Does hearing this make you more likely or less likely to support the 39-bill package targeting election reforms, or does it not make a difference?

More likely 21%
Less likely 44%
It doesn't make a difference 22%
Not sure 14%

Q19 Under one of the election bills introduced by Michigan Senate Republicans, voters would lose an existing option under Michigan's current voter ID law to vote by signing an affidavit confirming their identity under penalty of perjury. Based on what you know, do you strongly support, somewhat support, somewhat oppose, or strongly oppose keeping this option to vote by signing an affidavit confirming a voter's identity?

Strongly support 46%
Somewhat support 12%
Somewhat oppose 9%
Strongly oppose 19%
Not sure 13%

Q20 It's believed Republicans and their allies will run ballot initiatives to push election reforms that clerks and voting rights advocates have described as anti-voter if they are unable to pass them through the state legislature. Based on what you know, do you strongly support, somewhat support, somewhat oppose, or strongly oppose Republicans using this method to make voting more difficult?

Strongly support 29%
Somewhat support 8%
Somewhat oppose 9%
Strongly oppose 44%
Not sure 9%

Q21 Recently, the United States Senate blocked an effort to create a commission to investigate the events that occurred at the Capitol on January 6th after it was passed by the House of Representatives. Would you be more likely to support a congressional candidate who supported investigating the riot at the Capitol or would you be more likely to support a candidate who opposed investigating the riot?

More likely to support a candidate who supported investigating the riot at the Capitol 61%
More likely to support a candidate who opposed investigating the riot 27%
Not sure 12%

Q22 If a gubernatorial candidate was opposed to public health measures and mask protocols related to COVID-19, would that make you more likely or less likely to support them, or would it not make a difference?

- More likely to support them* 24%
- Less likely to support them*..... 50%
- Wouldn't make a difference*..... 17%
- Not sure* 9%

Q23 Michigan Senate Republicans recently introduced a bill that would restrict transgender children to playing on the sports team that matches their assigned sex at birth. Based on what you know, do you strongly support, somewhat support, somewhat oppose, or strongly oppose this bill?

- Strongly support* 41%
- Somewhat support* 9%
- Somewhat oppose*..... 13%
- Strongly oppose* 22%
- Not sure* 15%

Q24 The Michigan High School Athletic Association opposes this legislation and currently has a process in place they say works for evaluating transgender children who want to play sports on the team that matches their gender identity. Does hearing this make you more likely or less likely to support restricting transgender children to playing on the sports team that matches their assigned sex at birth, or does it not make a difference?

- More likely to support restricting transgender children to playing on the sports team that matches their assigned sex at birth* 28%
- Less likely to support restricting transgender children to playing on the sports team that matches their assigned sex at birth*..... 33%
- Doesn't make a difference* 25%
- Not sure* 13%

Q25 Michigan Senate Republicans recently introduced a bill that would ban schools from teaching critical race theory, “anti-American” views about race in America, or material from The 1619 Project, a New York Times initiative that puts Black history and the consequences of slavery at the center of the U.S. national narrative. Based on what you know, do you strongly support, somewhat support, somewhat oppose, or strongly oppose this bill?

- Strongly support* 34%
- Somewhat support* 8%
- Somewhat oppose*..... 10%
- Strongly oppose* 39%
- Not sure* 9%

Q26 Under this bill, schools that teach banned subject matter on the history of race in America would have their funding cut by 5%. Does hearing this make you more likely or less likely to support the bill banning schools from teaching certain material about the history of race in America, or does it not make a difference?

- More likely to support the bill banning schools from teaching certain material about the history of race in America*..... 31%
- Less likely to support the bill banning schools from teaching certain material about the history of race in America*..... 41%
- Doesn't make a difference* 15%
- Not sure* 12%
